

Copying a few resources from one ECN site to another is available.

1. Log into ECN and go to your current site for the current term.
2. Click Resources
3. Click the arrow next to Copy Content from My other Sites

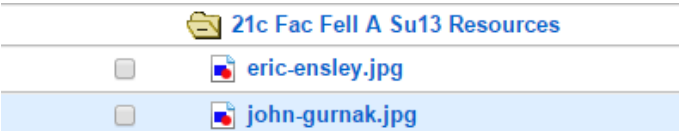

4. The section will expand to show all of your sites from the past with Drop Box and Resources Tools being used.

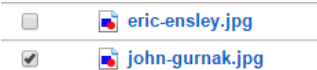

Expand folder(s) of interest and select item(s) to copy to your current site above.

5. Click any folders with a + for the course to expand to see items to copy.

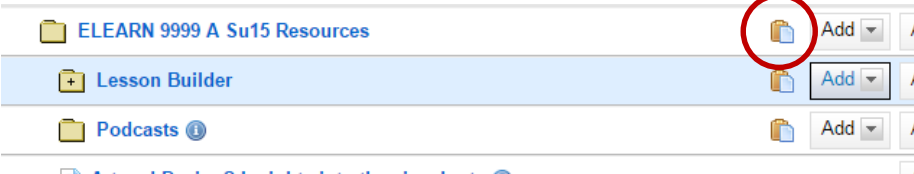

6. Click the check box next to the items to copy.

7. Click the Copy button to the top left of the list

8. Wait a few moments, a clipboard icon will appear next to any folders in your current course.

9. Click the clipboard icon to paste the items into the appropriate folder. If there are a lot of items, it may take a few minutes to paste.
